

OASI BASE

Description

OASI BASE is a new product for outdoor furniture that combines the freshness of the nebulizer with a heater.

The perfect solution for gardens, patios, public places such as bars and restaurants, but also swimming pools. A design that combines safety, quietness and handiness, with the absolute quality of Made in Italy.

Cooling and heating have independent operation.

| Code | Model | Flow rate | Max Pressure | Water tank | Covered area | Noise | Dimensions ø x H cm | Power (230V 50Hz) | Weight |
|---------|---------------------|-----------|--------------|------------|-------------------|-------------|------------------------|--------------------------------|--------|
| ZX.5175 | OASI BASE WHITE | 18 L/h | 25 BAR | 10 L | 30 m ² | 54 dB(A) | 50 x 215 | Heater 1530 W Misting 140 W | 40 kg |
| ZX.5176 | OASI BASE WOODEN | 18 L/h | 25 BAR | 10 L | 30 m ² | 54 dB(A) | 50 x 215 | Heater 1530 W Misting 140 W | 40 kg |
| ZX.5177 | OASI BASE BROWN | 18 L/h | 25 BAR | 10 L | 30 m ² | 54 dB(A) | 50 x 215 | Heater 1530 W Misting 140 W | 40 kg |
